OFFICE OF LABOR RELATIONS

JOHN D. DUNLAP
DIRECTOR

February 26, 2010

Dear Union President:

I am writing to invite you to a presentation that the City will be making for all union leaders regarding the adoption of Massachusetts General Law, Chapter 32B, Section 18A and other issues related to post-retirement health insurance. This presentation will take place on **Friday, March 5, 2010 at 10:00** in the **Boston Redevelopment Authority Hearing Room located on the 9th floor of Boston City Hall.**

During the last round of collective bargaining each of the City's Unions agreed to support the adoption of this section of law when it came before the Boston City Council. The proposal to adopt this provision of law has now been filed with the City Council and, it is the City's hope that the Council will act on this matter in the near future. The primary purpose of the presentation on Friday, March 5 is to follow-up with you on the results of the actuarial analysis. We will also revisit the basic requirements of Section 18A and address any remaining questions union leaders may have prior to the City Council's consideration of this issue. This presentation will be made by Marge Houy of Bailit Health Purchasing, the City of Boston's Health Insurance Consultant.

Please contact Geneen Bartley in the City's Office of Labor Relations at 617-635-4525 to confirm your attendance.

Very truly yours,

John Dunlap
Director of Labor Relations
